Its characters - Charlie Brown, Snoopy, Lucy, Linus, Schroeder, and so many more - have become dearly loved icons for generation after generation. Now Charles Schulz's classic, "Peanuts", will be reprinted in its entirety for the first time. In these beautifully produced editions, the strip will be presented in full in chronological order. They will be the ultimate books for "Peanuts" fans the world over. These first volumes will be of particular fascination to "Peanuts" aficionados. Many of the strips from the series' first two or three years have never been collected before, in large part because they showed a young Schulz working out the kinks in his new strip. They include some characterizations and designs that are quite different from the cast we all know. And Snoopy debuts as a puppy!
